

must address these ongoing hate crimes and incidents with urgency.

That is why I reintroduced the COVID-19 Hate Crimes Act. My bill would designate a point person at the Department of Justice to expedite the review of hate crimes related to COVID-19, specifically crimes of violence motivated by the actual or perceived relationship to the spread of COVID-19. My bill also includes initiatives to establish online reporting of hate crimes or incidents in multiple languages and to expand public education campaigns to encourage and empower ethnic communities to feel comfortable and report these incidents.

My bill also directs the Attorney General to work with Health and Human Services, the COVID-19 Healthy Equity Task Force, and community-based organizations to issue best practices to mitigate racially discriminatory language in describing the COVID-19 pandemic.

Madam Speaker, during this time of heightened anxiety and fear surrounding COVID-19, we cannot lose sight of protecting the health and safety of every single person—no matter their race, ethnicity, age, or background. The COVID-19 Hate Crimes Act is a necessary step to confront the second pandemic of racism and discrimination in this country. I urge my colleagues to join me in this effort to keep all Americans safe.

HONORING GABRIELLA GONZALEZ
AND MORGAN HARVEY UPON RE-
CEIVING THE NATIONAL MEDAL
OF HONOR LIFESAVING AWARD
FROM THE GIRLS SCOUTS OF
THE USA

HON. ELAINE G. LURIA

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mrs. LURIA. Madam Speaker, I rise today to honor and recognize two young women from Virginia Beach, Gabriella Gonzalez and Morgan Harvey, who were awarded the National Medal of Honor Lifesaving Award from the Girls Scouts of the USA.

After practice on a hot summer day in August 2019, Morgan and Gabriella's rowing club team decided to take turns jumping from a rope swing into Virginia Beach's Lake Joyce. The summer fun took a turn for the worse when their coach, Dr. Mark Winters, severely fractured his ankle on the bottom of the lake. Gabriella and Morgan both sprang into action to assist Dr. Winters. Gabriella swam along with other crew members to help her coach, holding his body above water and comforting him as he went into shock. Morgan rowed back to shore, helped guide rescue crews to the location, and organized team members to provide additional support. With their help, Dr. Winters was able to receive prompt medical attention, likely saving his life.

Both Gabriella and Morgan credit their experience as girl scouts in preparing them for the intense situation. With the poise and bravery that they displayed in such a critical moment, Morgan and Gabriella are more than worthy of the National Medal of Honor Lifesaving Award.

It is important that we recognize individuals in our communities who go above and beyond to make a difference. I am proud to represent these two young heroes in Congress, and I congratulate Gabriella and Morgan on receiving this well-deserved honor.

RECOGNIZING DOUG BUSH FOR HIS
SERVICE TO THE UNITED
STATES CONGRESS AND AP-
POINTMENT TO THE DEPART-
MENT OF THE ARMY

HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 11, 2021

Mr. SMITH of Washington. Madam Speaker, I rise today to recognize and thank Mr. Doug Bush for his years of service to the United States Congress and congratulate him on his appointment to serve as the Principal Deputy Assistant Secretary of the Army for Acquisition, Logistics, and Technology.

A graduate of the United States Military Academy at West Point, former Army officer, and long-serving congressional staffer, Doug has served our country in uniform and as a civilian for nearly 30 years. Though he started his congressional career as a Senate staffer, something we try not to hold against him, Doug has spent the last 14 years as a valuable member of the House Armed Services Committee's professional staff.

From 2007 to 2019, Doug supported the Tactical Air and Land Forces Subcommittee's

oversight of aviation and ground-based weapon systems, equipment, and programs. Doug's work with committee members helped the committee accelerate the development and fielding of weapon systems and equipment that enhanced the capabilities of our Armed Forces and terminate under-performing programs. More recently, Doug served as the Deputy Staff Director of the Armed Services Committee from 2019 to 2021 where he managed the day-to-day operations of the committee and the development of the annual National Defense Authorization Act (NDAA). As the Congress grappled with how to safely continue operations during the COVID-19 pandemic this past year, Doug played a critical role to ensure the Armed Services Committee continued to conduct effective oversight while also enacting the 60th consecutive NDAA.

Madam Speaker, on behalf of the House Armed Services Committee, I extend our deepest appreciation to Doug for his dedicated service to the committee, the Congress, and the military and civilian personnel of the Armed Forces. We wish him well as he continues his public service at the Pentagon with the Department of the Army.
